COMMUNICATION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

An Amendment and other documents were filed on April 8, 2008 for the above-referenced reissue continuation application. Although each of the documents have been entered into the file wrapper and indexed on the PAIR system, the transaction history has not been updated and the documents have not been forwarded to the Examiner. This normally would have occurred by this time, especially in the case of a Reissue application, which is afforded special status pursuant to MPEP Section 1442.

In view of the foregoing, Applicants respectfully request that the filed documents be entered in the transaction list and forwarded to the Examiner as soon as possible.

Respectfully submitted,

By: /wab/
